

## **March, 4 – Sepsis in cancer Patients**

**09h00-09h30: Caring for critically ill cancer patients: Nuno Bonito**

**Chairperson: João Gouveia**

**09h30-10h45: Round Table: Management of Infection in critically ill cancer patients**

**Chairpersons: Diogo Martins Branco | Paulo Mergulhão**

- Is de-escalation safe? José Artur Paiva
- The EPC epidemics in hemato-oncology. Carolina Garcia-Vidal
- Predicting the risk for ESBL and CRE. Carlos Palos

*10h45-11h00: Opening ceremony*

*11h00-11h30: Coffee-break*

**11h30-12h00: End-of-life infection: Ethical boundaries of AB use: João Gonçalves Pereira**

**Chairperson: Cristina Pissarro**

**12h00-12h30: The epidemiology of cancer patients requiring ICU admission: André Gomes**

**Chairperson: Tba**

*12h30-14h00: Lunch*

**14h00-14h30: The evolving landscape of cancer treatment: Cláudia Vieira**

**Chairperson: Joana Brandão**

**14h30-15h45: Round Table: The art of good decision-making**

**Chairpersons: Emília Cortesão | Júlio Nóbrega**

- Management of BSI in hemato-oncology: is there a role for AI? Carolina Garcia-Vidal
- Time is tissue! Tba
- Side effects of the new cancer drugs. Ana Joaquim

**15h45-16h15: Antifungal therapy in neutropenic patients: when and how? Antonio Vena**

**Chairperson: José Manuel Pereira**

*16h15-16h45: Coffee-break*

**16h45-18h00: Round Table: Surgical Site Infection in Cancer Patients**

**Chairpersons: John Preto | Rui Martins**

- Risk factors for SSI in cancer surgery. Renato Bessa Melo
- What is new in invasive candidiasis? Antonio Vena
- When is source control an emergency? Philippe Montravers

### **March, 5 – Antimicrobial stewardship: an evolving Landscape**

**09h00-09h30: Optimal management of complicated IAI.** Philippe Montravers  
**Chairperson: José Artur Pereira**

**09h30-10h15: Round Table: Infection in the ICU**

**Chairpersons: Dulce Pascoalinho | Tba**

-AMS and Autonomy in the ICU. José Artur Paiva

-Ventilator-Associated events: Is this a useful concept? Jordi Rello

*10h15 - 10h45: Coffee-Break*

**10h45-12h15: Round Table: Emerging concepts and concerns**

**Chairpersons: Paulo Mergulhão | Rui Veiga**

-Clearing bacterial toxins in pneumococcal sCAP - Tba

-Lessons from the MERINO trial. Antonio Vena

-AB use - maximising effectiveness. João Gonçalves Pereira

*12h15-13h45: Lunch*

**13h45-14h30: Pro-Con debate**

**Chairperson: Tba**

The Role of the new BL ABs:

-They are primarily carbapenem-sparing agents: PRO: Philippe Montravers

-They are primarily carbapenem-sparing agents: CON: Tobias Welte

**14h45-16h00: Round Table New diagnostic tools**

**Chairpersons: Lurdes Santos | Mário Ramirez**

-Calprotectin. Jordi Rello

-Putting rapid MB diagnosis to (good) use. Paulo Mergulhão

-“Fast and Furious 2020”: a novel laboratory workflow for bacterial and fungal identification in septic patients. Catarina Chaves

*16h00-16h30: Coffee-break*

**16h30-17h45: Round Table: AMS: the tricky art of implementation**

**Chairpersons: Tba | Teresa Brandão**

-Development of the GIS-TSA program. Dulce Pascoalinho

-Must-have tools for a successful program. Nuno Pereira

-The end-user: What does the clinician expect from AST programs? Tba

**17h45-18h15: Stewardship is an evolving concept.** Carlos Alves

**Chairperson: Rui Gomes**

### **March, 6 – Current Controversies in Sepsis Care**

**09h00-09h30: Challenges in the management of septic shock.** Rui Moreno

**Chairperson:** Antero Vale Fernandes

**09h30-10h45: Round Table: Pro-adrenomedullin**

**Chairpersons:** João Ribeiro | Nuno Príncipe

-MR-proADM as a biomarker in sepsis. Jordi Rello

-It's role in CAP. José Manuel Pereira

-Adrecizumab - a promising therapeutic option? Peter Pickkers

*10h45-11h15: Coffee-break*

**11h15-12h50: Round Table: Coming options**

**Chairpersons:** José Manuel Pereira | Tba

-Targeting inflammation in pneumonia. Antoni Torres

-New vasopressors. Miguel Tavares

-Recombinant alkaline phosphatase. Peter Pickkers

-IgM-enriched IG in sepsis. Tobias Welte

**12h30-13h00: How I evaluate and treat CAP in 2020.** Antoni Torres

**Chairperson:** Tba

**13h00-14h15: Round Table: Sepsis 2020**

**Chairpersons:** Tba

-Heterogeneity in sepsis. Márcio Borges Sá

-GIS agenda for 2020. Paulo Mergulhão

-Implementation of the National SFT in Spain. Márcio Borges Sá
